

Welcome

SEC Carpentry

Is a full-service carpentry contractor serving homeowner and businesses throughout Kuwait. Whether you are a builder, home owner or business, SEC Carpentry can help you select and manufacture those special interior elements for your home or remodel project.

We work on both residential and commercial projects, offering a broad range of timber items. Our team of dedicated professionals is adept at every aspect of joinery works.

SEC Carpentry has a reputation for superior workmanship and excellent service. You need a reliable contractor who can get the job done right the first time. You won't be disappointed when you choose us.

CARPENTRY

What We Do

Create bespoke carpentry to suit your very own personal needs. We can also advise and guide you through various joinery works, until the finishing touch is just as you envisioned.

Alternatively, you can just sit back and let our imagination take control.

Our mission is infuse your project with lasting beauty, function, and class.

“ Fine Finish Carpentry is like the icing on the cake ... when you see all of the architectural details come together , the highlights, the trim lines that carry through from doors to cabinets to special pieces, the perfectly-fitted hardware , and it all looks like it was meant to be ... you will see why SEC Carpentry was the right choice for your vision. “
