# Beautique Salon

Al-Shaab

A state of art design of young Kuwaiti architect who has utilized the usage of unexpected finishes material into a beauty salon which was a huge challenge to provide the feminine ambiance in a different prospective. It was a big challenge to our team delivering the well finished finishes as it was detailed with a great attention to the different finishes in both zrelations and termination.

# MAKI

Restaurant

Salhiya Complex, M2

Simple yet Elegant, this Japanese modern restaurant captures the oriental ambience into a minimal interior design by combining a steam line of wood screens with concrete flooring and enriching the space with the unique pendant lights.

# Oliver San

## Jassim Tower

Representing all things modern, Oliver's decor says it all. From the lush, elegant furniture, and the bowler "hat" lighting, to the beautiful marquis chairs. The fit out process was like a stunning experience creating new featured elements such as the bowler hat partitions.

The logo for Pizzetta Spoons features a stylized pizza slice icon on the left, composed of a red square with a white circle and a green triangle. To the right of the icon, the word "Pizzetta" is written in a large, bold, red serif font, and "Spoons" is written below it in a smaller, bold, black sans-serif font. Below the text are five horizontal black lines of varying lengths, creating a striped effect.

# Pizzetta Spoons

Spoons Complex, Mahboula

A modern Italian Pizzeria expanding over two levels of dining area with an authentic design that attracts the eye due to the neat and sharp lines of wooden cladding and ceiling stripes.

Pizzetta

# Pizzetta

# RICE

Restaurant

## The Avenues

Derived from the Rice grain that customized the interior elements to focus on the specialty menu of different ways of cooking rice.

It appears in the wall cladding motives along with the custom made chandeliers in addition to the sharp and neat finishes reflecting the fusion yet elegant space.

RICE

# SAWAH

The Avenues

Authentic Arabian atmosphere with an open gallery of different finishing materials that enriches the interior with a warm and cosy ambience reflected in the custom made carpet and the famous legendary Arabic singers' photos combined with Arabic calligraphy.

SAWAH

# AL RAWSHANA

AL Sabah Resort & Hotel
